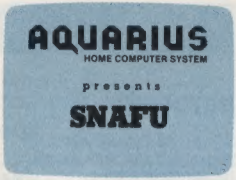
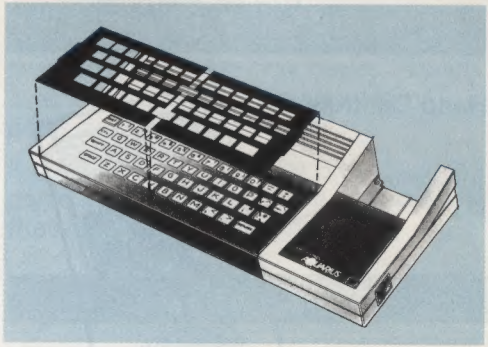
PRESS THE RST KEY ON YOUR COMPUTER. Game title will appear on the TV screen.



ADD OVERLAYS

Your SNAFU® cartridge comes with one overlay for the computer keyboard and two overlays for the hand controllers. These overlays are your visual guide to the SNAFU® game.

If you are using the computer keyboard to play the game, fit the KEYBOARD OVERLAY over the keyboard.



If you are using hand controllers to play the game, fit one hand controller overlay over the keys of each hand controller.
